## Does your Councillor care about your Hydro Bill?

On behalf of taxpayers, OTAG asked cities across Ontario to pass a motion asking Ontario to stop Hydro increases above inflation.

Ten cities already passed the motion!

You can help us fight for you: **attend our upcoming Christmas Cocktail!**

“OTAG played a particularly important role...Taxes will always be important but OTAG kept the issue at the forefront and shaped the debate by offering achievable solutions...”, *Ottawa Citizen* columnist Randall Denley on OTAG and the 2010 mayoral election.

Thank you for making OTAG a success, come out on Thursday, December 2nd for our Christmas Cocktail and help us fight for you.
